

Karuna Reiki® Master Workshop

Karuna means, “compassionate action”. The use of Karuna Reiki® energy is penetrating, yet gentle. This course includes 8 new symbols for healing. Some healing uses of the symbols are: cellular memory healing, healing the part’s of yourself that you deny (your shadow self), abuse issues, addictions, relationships, harmonizing all energy systems, manifesting goals, increased learning ability, creativity, healing co-dependence, healing of fear, panic attacks, and to bring peace and trust in your life.

After completing this three-day class you will be a registered Karuna Reiki® Master with the International Center for Reiki Training able to teach all levels of Karuna Reiki®. Note: You must have been a Reiki Master for at least six months to take Karuna Reiki® Master training.

Class will be taught by International Center for Reiki Training Licensed Teacher Beth Simmons Stapor. Beth has over 20 years experience working with healing energies as a Reiki Master, Karuna Reiki® Master and as a Psychologist. Beth focuses on integration of Mind, Body and Spirit for wellness and healing.
